

Jeff, I just wanted to reach out and say THANK-YOU. That was an excellent session! I definitely was able to take away some key items that I can incorporate going forward. This was one of the best sessions by far in that you gave solid examples and actionable items that can be incorporated right away to make a difference in my executive presence. **Teresa M Haze, Senior Manager, Enterprise Digital Compliance**

I attended your Executive Presence conversation today and thoroughly enjoyed it! Your dynamic personality, articulation, and outgoing spirit are an inspiration and this was an hour very well spent. I'm motivated to actually use the "thinking time" I've blocked in my calendar to do some of the strategic thinking you mentioned. You have made a strong impact and I thank you for that! **Martha Sheehy Senior Product Mgr. – Corporate Purchasing Card**

Hi Jeffrey: I am on your Executive Presence call right now, and I have to say this was one of the BEST Amex presentations I've ever attended in my 21 years here. Very engaging, entertaining, and relevant- what a fantastic way to end the week! Thank you for sharing your time! **Denise Evans Director, B2B Development**

Jeff – You did just amazing on the call today! For me, it was perfect timing! I needed that refreshing reminder just at this moment in time. **Kathy Ahlenius Director, Business Development**

Hi Jeff, wanted to drop you a note letting you know that I really enjoyed your presentation today, thanks for taking the time. So true that we often participate in these types of events and then walk out the door without an action plan to do anything differently. Thanks for challenging us to act differently this time. **Cindi Peterson Manager, Seller Solutions and Strategy**

Hello Jeffrey – I listened to your Executive Presence for Virtual Employees presentation this afternoon, and I feel compelled to let you know how much I enjoyed it. You exemplified in your presentation style the benefits of the very advise you were giving! Your presentation was informative, engaging, and interesting. Thank you! **Terri Cohane Manager, Account Development**

Hi Jeff, I am a Client Manager in Merchant Services based in Phoenix. Wanted to send a quick thank you for your Executive Presence for Virtual Employees session. I attended a number of virtual sessions this week, and yours blew me away! So much great content, and your passion really brought it all home. I loved the Zig Zigler quote you shared, and have already printed it out and posted it on my desk. **Tracy Pellerin, Client Manager Centralized Client Management**

was well worth the time! I was a panelist for GMS this year so I attended a few other sessions as part of the Virtual Career Week team—but your session was the BEST of them all! I can't wait to read your book as well- I think I may buy it for a holiday gift for my entire team J. **Denise Evans Director, B2B Development**

Jeffrey, Thank you so much for the call today! I learned so much! I really appreciate the part about being your "authentic self." I also appreciated the reminder to stop and just "think." You brought up a great point on what are your natural talents. **Keidra D. Carmichael Membership Consultant**
